ANSWER TO COUNCIL?**

*Aldermen To Bring Up Rank Action Used Against
Clothing Workers at Tonight's Council Meeting
—Lynch Wants To Know About Coast Trip.*

Council will be asked tonight to curb police brutality that has been a daily occurrence since the beginning of the clothing workers' strike. Socialist Aldermen Rodríguez and Kennedy have collected fifty affidavits from women and girls manhandled by cops. These will be handed to the council.

"Most of the affidavits are from girls," Rodríguez said. "They testify to having been beaten and pinched and jerked off their feet by six-foot bluecoats. Several are in bed as a result of their experiences at the hands of these city paid men."

Alderman Thomas A. Lynch has a

resolution which calls for the most thorough probe the police department ever has undergone. He will introduce it tonight. The alderman, in Sunday's Tribune, was listed among the 22 who were going to take the trip with the mayor.

"Our committee will be too busy to take a vacation for several weeks," the alderman told a Day Book reporter. "One of the things we are curious to know is how Chief Healey can feel that he can take a vacation after calling 300 members of his department in from their furloughs to special duty on the strike.

"I wouldn't take that trip if they gave me a special car. However, this
